Dear Coastal,

We are sooooo pleased with the savings we got on our week-long stay in Orlando! We're taking two families (10 people total) to Florida and got a great deal! The regular price online was \$4,213.83 for 7 nights, but they were having a "sale" and listed it on their website as only \$2,590.14. But with the exclusive discounts with our Coastal membership, we got the exact same place for the exact same week for only \$298.00. That saved us over \$2,200... even off the resort's "sale" price! Thank again!
